5 Write a paragraph of EIGHTY (80) words on :

"Round houses"

معاد عنه في نهاية الكتاب

"Round houses"

Many houses in the past were round. Today, many modern houses are also round. This is important when there is an earthquake or a strong wind. Because a round building means that the building is very strong. Also, heavy snow or rain will fall from the roof. Also, a round house is easier to keep you warm or cool. A round house is quieter inside than a building that is a rectangle or a square. A round house is cheaper, because building a round house uses fewer materials.

Example

My adventure sport

I like adventure sports. There are lots of adventure sports like rock climbing, windsurfing and zip lining. I like mountain biking. I liked it many years ago when my father bought me my first bike. Today, I am going to go mountain biking with my friend. So, I get dressed and phone my best friend. He is the person who I go mountain biking with. We go to a place that is a forest with mountains. After my friend arrives at my house we make sure that all of the equipment is safe on the bike. With water bottles filled and bikes ready to go, we are off. It makes us feel happy.

Dear Anas,

How are you? You asked me in your email about places to visit in Egypt. I recommend the Pyramids. The Egyptian Museum is a good place to learn all about the things you'll see at the ancient sites. I also recommend that you go with a guide. The guide can tell you a lot of interesting things about the places you are going to visit. In Luxor, you can visit Luxor and Karnak Temples. In Aswan, you will like the sunny weather and the ancient temples. The best beaches are in Hurghada where you can try windsurfing. You can go snorkelling and scuba diving. You can go to the bazaar in the old part of the city. It's a good place to buy souvenirs.

See you soon,

Kady
